Your New FEA Card

Making Good Use of Your Union Benefits
Your new Access Card will come in an envelope that looks like this. Inside the envelope is a letter with your new card and your password.

Even if you have registered before, you will need to register again with the new card to take full advantage of all of the benefits.
Go to www.FEAweb.org

Enter the Membership Number on your new card and the password that was provided in the letter.

After you click “Login” a new page will open and you will see where to click to go to the ACCESS website.
Registering Your Account

Click on the link to register your account. Enter the Membership # from your new card in the Member ID field. Enter a personal email address (not your work email address), create a new password, enter your first and last name and click “Submit”.

Register using your FEA membership number, located on your FEA membership card.

Changing Your Location

Enter the email address you provided and your new password.

It auto selects a “location” for you. If you want to change that, click on the dropdown arrow to the left of the location name and you will be able to enter information for a new primary location. Select the one you want and click “Change”.
There are many categories you can choose from to search for coupons or you can choose to search for a specific type of thing using the “search” function at the top of the page.
If you select “Grocery Coupons” from the list (prior page), you will see something similar to the image below. You can browse through all of the pages of coupons, check boxes to “clip” the ones you want, see the total amount you will save using the coupons (upper left corner) and then “print”. Take your printed coupons to the store with you.
You can also access savings on the go by using the “My Deals” app. Go to your favorite app store and search for “My Deals”. You’ll need your FEA Membership Number and the code “9389” in order to open the app.
