News You Can Use

Annual Members, if you have not yet renewed, please check your mail later this week for information about renewing your membership.

Our incentive program for on-time payment of annual dues will be continued. At our meeting in September we will have drawings for chances to win \$25.00. The number of gifts to be drawn will be determined by the Board. Remember we must receive your dues no later than August 24th in order for the treasurer to get your dues to FEA-R in Tallahassee by September.

Upgrading your annual membership to a lifetime membership is a possibility under certain circumstances. A payment plan can be arranged. Please ask Merrilyn Crosson if you're interested. I plan to have a drawing for a gift for a lifetime member also.

Community Outreach

We will continue collections for Beth-El and Oasis in the fall.

**We are considering having a brunch to honor teachers who have retired in the past year on the day that SDHC teachers go back to school. This might be a good way to get information to potential new members about the benefits of being a member of HEA-R. If you are interested in helping out with this project please contact me: [cigid@me.com](mailto:cigid@me.com).**

Remember that your membership allows you to enjoy many FEA, NEA and AFT benefits that help you enjoy savings throughout the years.

Thank you for all the delicious dishes provided for our HCTA staff appreciation luncheon. Everyone enjoyed the meal. Thank you for all of your support and attendance at our monthly meetings. Your loyalty and commitment are truly appreciated! Enjoy your summer break! Meetings will resume in August. I will send you details after the board meeting.
