

MEMORANDUM of UNDERSTANDING

2019-2020 Early Release

Hillsborough County Public Schools and Hillsborough Classroom Teachers Association agree to modify the Early Release Days in the 2019 – 2020 calendar to give up 8 early release days so that the district can retain a full week off in November as requested in employee survey results.

This is a one-time agreement and principals may not usurp any of the remaining early release days for alternative meetings, trainings, data gathering activities during the first semester.
