June 2022

President's Message

Sue Huttig

Hillsborough Educators Association Retired

Greetings from your president. It's hard to believe that I have served as your president for a year. It will be my honor to continue serving.

Elections were held at our May 18, 2022 meeting. The results are:

President: Sue Huttig

District 1 Director: Norma Goff

Membership Chair: Susan Buchanan

Norma Goff, Stephen Tabin, Susan Buchanan and Barb Toepke were elected as delegates to the FEA-Retired Annual Meeting to be held in October 2022 in Orlando. Jim Roney will be our alternate delegate.

President Sue Huttig and District 7 Director Dale Sena will also attend and their election includes attendance at this meeting.

CTA has a new Executive Director. His name is Graham Pickelsimer. We hope that he will speak to HEA-R in the Fall.

Your HEA-R Board will have a luncheon for the CTA staff on June 15, 2022. Members are invited to attend. Box lunches will be ordered from Alessi Bakery, in place of our traditional luncheon. Box lunch choices will be Turkey on Cranberry Bread, Egg Salad on white, and a Veggie Sandwich. All Box lunches come with sandwich, chips and cookie. Drink choices will be iced tea, water and lemon aid and lunches will cost \$15.00 per person. Please bring cash to the luncheon to pay for your meal. Those planning to attend must sent in your order to me (Sue Huttig 813-416-5044) by June 10th. No changes can be made after June 13th as I will be leaving town.

Happy Birthday!

The idea of having a back-to-school brunch on August 2, 2022 for newly retired teachers will be discussed.

**Dale -Continued**

Our brunch to honor teachers who have retired in the past year on the day that SDHC teachers go back to school is in limbo. It was a good way to woo potential new members about the benefits of being a member of HEA-R, however, I have no idea what the climate will be for large gatherings at that time. We had talked about going to a restaurant. This will be discussed at our Board Meeting in July with information to follow.

**Vice President's Report – Stephen Tabin**

**Our hearts go out to the families of the recent school shootings in Uvalde, Texas.** School is supposed to be safe. Ten years ago, it happened at Sandy Hook, and before that it happened at Columbine. How do we as teachers and ESPs keep ourselves and our students safe? I recently attended a session with Hillsborough County Deputy Sheriff Jeff Merry at my place of worship in Sun City Center. You need to make a plan. **Know** where the nearest exit is. **Run** if something does not seem or feel right. **Hide** if you are unable to get to an exit. If you cannot run or hide you may choose to fight. Think about this. What would you do?

*Thank you for all of your support and attendance at our monthly meetings. Your loyalty and commitment are truly appreciated! Enjoy your summer. Be safe!*  
-Sue Huttig
